

FRANCE

Our **ATTIKI Classic Honey** has been the **favourite Greek honey** across the world since 1928. Its familiar and awarded flavour, is a **combination of premium selected Greek honey varieties** from wildflowers, herbs, forest and thyme **collected from all over Greece**.

ATTIKI Greek Forest Honey stands out for its delicate and rich flavour. It is unique because it is a combination of **premium selected honey varieties** from the forests of Central and Northern Greece.
